How to rent:

request - offer - booking

The easiest way is to click at our homepage the blue request button - then you can enter all important details in a form - we will check the availability and send you a non-binding offer. If you like to confirm the offer, just send us an email or give us a phone call and we send you a secured quicklink access to our payment form to fix the reservation. 25% prepayment is required to book the rent bike for reservations more than 8 days before rent start - 7 days or shorter no prepayment will be obligatory anymore for rentals up to 3 days duration.

Cancelling the rental booking 1 week or shorter before, the prepayment can not be refunded unless our "cancel-option" has been chosen and paid with the down payment.
